BTCBR Token — Official Whitepaper (v1.0)

Launch Date: 10 October 2025 — Binance Smart Chain (BEP■20)

ABSTRACT

BTCBR Token is a blockchain-based educational ecosystem that makes blockchain learning accessible, rewarding, and community-driven. The project promotes blockchain literacy and rewards users for learning and contributing to the BTCBR ecosystem.

INTRODUCTION

BTCBR combines education and blockchain to create a decentralized, transparent, and rewarding learning system. Learners can gain blockchain and crypto knowledge. Educators can share verified content. All participants earn BTCBR tokens for engagement.

VISION & MISSION

Vision: To make blockchain education globally accessible, decentralized, and rewarding.

Mission:
• Convert blockchain knowledge into practical, real-world skills.
• Build a transparent learn-and-earn ecosystem.
• Increase blockchain trust, awareness, and participation.

PROBLEM

Lack of affordable blockchain education. Limited awareness and global access. No direct incentive for learners or educators.

SOLUTION

BTCBR introduces a Learn-to-Earn concept:
• Earn BTCBR tokens for learning blockchain concepts.
• Reward educators for creating verified content.
• Enable the community to generate passive income via participation.
